'Working Together, Putting Children First within our Christian Family'
'Together we care, learn and grow'

Friday 2nd October 2020

Dear Parents and Carers,

Certificates

Stars of the week -

Class 1 – Marshall - Enthusiasm and engagement towards chosen activities.

Class 2 – Kyle M - For an amazing piece of story writing, and for working independently and concentrating really hard in Maths.

Children receiving praise postcards from the headteacher this week –

Shonee H-H and Layla C

Jack C and Annie D-B

Although we are not holding parents assemblies at the moment we are still celebrating and praising success in our class bubbles. Well done to everyone this week.

School lunches next week

Monday – Fish, chips and peas

Tuesday – Chicken korma

Wednesday – Meatballs and pasta

Thursday – Chicken wrap

Friday – Cheese and tomato pizza

Covid 19

As you may be aware there has been a positive covid case at a local school not too far away from our villages. I am pleased to say that we have no positive cases at our schools at the time of writing this however, we do have a number of children that have been asked to isolate for 14 days due to 'test and trace' procedures. It has been quite clear that 'test and trace' can have a wider impact on our schools and the communities and just as importantly my staff whose children may be at a school where a positive case has been confirmed.

if your child has been identified as a close contact of a confirmed positive case

- you will receive a letter from test and trace
- the child must not come to school
- your child will need to self-isolate for 14 days
- other siblings may continue to attend school
- your child does not require a test unless they display symptoms
- 14 days isolation is still required even if a child has a negative test

Please continue to follow our social distancing measures at the school gate on arrival and at home time. It is vital that we keep vigilant and use our common sense when there are larger numbers of people around the buildings.

Tapestry and Class Dojo

Tapestry is our online learning journey for children in nursery, reception and now Year 1. Parent access logins have been sent out, you can view images and comment on what your child has been doing during their time with us.

Class Dojo is our online class communication and reward tool, again logins have been sent out. Staff will be adding class updates and information about what is happening in the classroom. You can also send a direct message to the class teacher during this period where we are unable to allow parents into the school buildings. If at any point we move to home learning, this is be a preferred platform for sending work home.

Peat Rigg

Unfortunately, we are still unable to go on residential visits this term, we are in touch with Peat Rigg who are monitoring the latest guidance. We are hoping to be able to offer this residential in the Spring or Summer term 2021. As soon as we have a date we will let you know.

Have a great weekend

Mr Taylor
