

Luttons News

Dear Parents and Carers

The weather was kind to us last week at Luttons we were able to go ahead as planned with our Sports day. It was wonderful to see the children participating in the events. A big thank you to Mr Ellis for organising the sports days in both schools.

The summer fair was a great success and the children enjoyed all the activities which had been provided. A big thank you to everyone who was involved in organising the event with a special mention to FOLS and Laura Harris.

As you are aware we are recruiting governors for our new Governing Body. If you would like further information on how to apply, please contact Wendy Harrington her email is w.harrington@ebor.academy

Tuesday 9th July is the day when the school receives the Year 6 SATs results. We will tell the children in school on the following day (Wednesday 10th July). This gives us time to check the results before informing the children and parents. An official letter will also be sent home with the Year 6 reports.

Please remember next Friday is the Year 6 leavers assembly at Luttons. This will be held on Friday morning at the usual time.

Some of you may have seen the stall at the summer fair showcasing the new school uniform with our new school logo. The company name is Identity and they are a small family business based at Hunmanby. When you are ready to replace your child's uniform and wish to have the new logo, please contact Identity who will be happy to process your order. You can contact them on: 01723 513703 or email info@identity.co.uk

Have a lovely week

Our Learning This Week.....Class 1

Another incredible week in Class 1—on Monday, we found our classroom littered with plastic and other forms of rubbish! We were SHOCKED and soon realized this is what the sea animals must feel like. We read the story 'Clean Up' and enjoyed finding out that beaches can be clean and we have to work together to ensure we reuse, reduce and recycle.

Children have looked at different features you can see in coastal towns and made tally's and pictograms of these using their previously learnt maths skills.

We have been thinking about floating and sinking and designing our own boats in DT which is all part of our coast and oceans topic.

Tuesday was so wonderful to see so many parents and children enjoying our forest school area and today it was so great to see so many parents and children enjoying sports day!

Miss Trotter

Our Learning This Week.....Class 2

What a super week of learning we have had in Class 2!

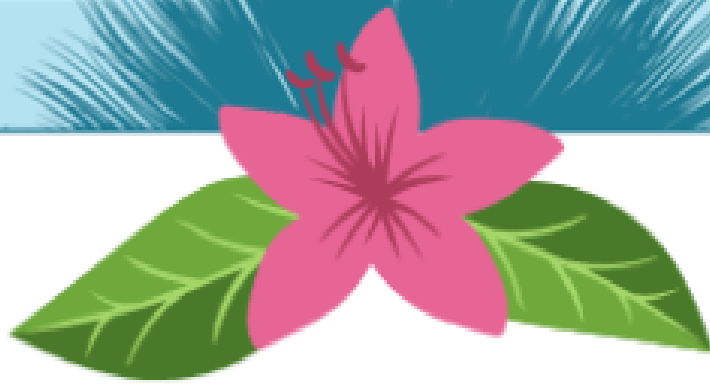

This week in English we have finished our unit of writing based on the short Disney film 'Feast'. In Maths we have been looking at statistics to produce bar charts and line graphs. The Year 5 and 6 children have been able to use their own data from our conductivity Science experiments to produce line graphs.

In DT, we have continued to add more depth to our pneumatic toy projects and plan to add finishing touches next week.

In Music, we have continued to practise our songs in readiness for the Year 6 leavers assembly.
