

THE WOLDS & VALE FEDERATION

Luttons News

Friday 7th June 2024

Dear Parents and Carers

Welcome back!

We have had a lovely first week back in school all the children looking well rested and ready to learn.

Well done to the Year 4 children in both schools who completed their multiplication Table Check this week. I know lots of the children have been practising their times tables in preparation.

The weather has been a bit of a mixture this week. When the sunny weather does make an appearance, can you please make sure sun cream is applied before coming to school and your child has a named sun hat and water bottle. If suncream does not offer full day protection and you cannot avoid sending it into school, it must be labelled because of other children who may have allergies.

Can you blue-lieve it?

Class 2 have been busy this week recounting what they did in the half term holidays. In French they have been exploring animal names and learning how to describe the animals and their habitats.

Class 1 in both schools have been thinking about the big blue whale 'found' on Cayton Bay. Children have been reading the Storm Whale and making links with the Snail and the Whale.

Have a lovely weekend

Mrs Evans

Attendance News

Whole School Attendance News

Our Federation Target is 97%

This week's whole school attendance was: 95.54%

Individual Attendance

Well done to all the children who achieved 97% and above.

The raffle prize winners this week are:

Daisy and Jack C

Class Attendance News

Class 1: 99.3%

Class 2: 92.5%

Well done to Class One who will be enjoying their extra playtime.

Stars of the Week

Class 1

Reggie

For incredible effort in phonics and being a super role-model!

Class 2

Marshall

For amazing maths work

Forests School Stars of the Week:

Alice

For showing eagerness and incredible knowledge when discussing characteristics of living things

Notes from the Headteacher:

Class 1

Stephen

For trying his best at **EVERYTHING** this week and it has shown in your work

Class 2

Year 4

For doing us proud in their multiplication check

Our Learning This Week.....Class 1

Such a super start to the final term in Class 1.

This week we read in the 'Filey News' about the HUGE blue whale found washed up on Cayton Bay—children created some posters to help Save the Whale! We found out all about it because a very clever snail had left a special note for us on the playground. This made us think about another book with a whale too. Maybe you can share that story at home?

We had a brilliant afternoon with Mrs Fry at Forest School and although it was a little wet it did not dampen our day! Children spotted different habitats and thinking about the processes plants and animals go through to stay alive. In our EYFS Forest School, we planted strawberry plants and created a bug hotel.

In PE this week, children were developing their ball skills with Mr Ellis and did a better job than Miss T!

Children have worked hard on their ICT skills with Mrs Flemming, our younger children were working on data handling and our older children took a virtual tour of the international space station!

Have a wonderful weekend all, and we look forward to another exiting week of learning.

Miss Trotter

Our Learning This Week.....Class 2

What a wonderful week in Class 2!

It has been so lovely to welcome the children back after half term and to see them so settled and happy in their learning.

In Maths, we have explored perimeter. We have enjoyed completing practical activities and have answered some really tricky questions which really made us think! However, we worked together and showed great team work and resilience to work out the answers.

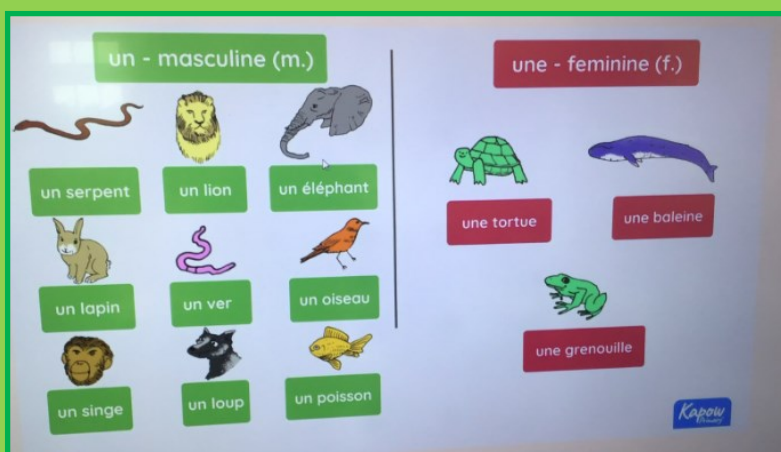

The year 4s have also completed their multiplication check. We have spent a lot of time practising our tables this year and practising for the check, so unsurprisingly the children took this in their stride and were amazing! We are incredibly proud of them!

In English, we have written a recount based on our half term holidays. We have shown 'artistic license' and written exciting reports about our dream adventures.

In French, we have explored if animal names are masculine or feminine and have started to describe animals and their habitats. We have really enjoyed our French lessons this week!

Have a lovely weekend

Mrs Ridley
