Luttons News

Friday 14th June 2024

Dear Parents and Carers

Class 1 have been writing reports about whales and sharing their fascinating facts while our younger children in EYFS have been learning about floating and sinking with boats.

Class 2 have been scientists this week and have tested different materials. I wonder what they found out? A highlight for me was watching the children practicing their bowling skills in cricket with Mr Ellis, they looked as though they were having great fun whilst learning how to bowl overarm.

The Summer term is hurtling by and starting to look very busy. Please take note of the key dates coming up in this newsletter and make sure you save them in your diary!

One date you will want to take note of is the annual Summer Fair at school. This year the Fair will be held straight after Sports Day on Friday 5th July. There will be lots of games and prizes to be won! Delicious food and drink will be on sale and family crafts and fun for all ages.

Thank you to FOLS for organising the event to raise money for the school. We hope as many of you as possible can attend and show your support. If you can spare your time, extra volunteers to run the stalls/activities are welcomed. Please let Mrs Warren know in the office if you are able to help either before the Fair or on the day.

Have a great weekend

Mrs Evans

# Our Learning This Week.....Class 1

A lovely week in Class 1. We have been very busy finding out some interesting facts about blue and humpback whales. Ask us to share!

Children have worked hard planting some willow in forest school to make a special den and we thought about the things we might find that living, used to live or never been alive in Science.

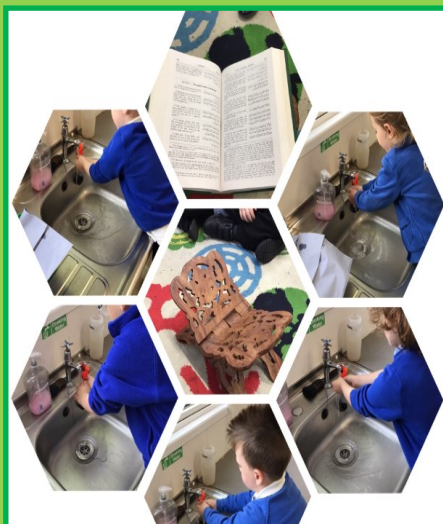

We have been thinking about hours in a day in Maths and how to use ordinal numbers like 1st, 2nd, 3rd. Our EYFS children have been weighing and measuring things and looking at capacity.

In RE this week, our younger children looked at a very special book called The Quran, before we shared this holy boo of Islam, we had to wash our hands first. Children in Year 1 and 2 listened to a special story about a 'lost sheep' and then re-created their own lost sheep to represent the story.

In PE, children enjoyed learning some cricket skills and keeping up with our ball skills.

Have a lovely weekend

Miss Trotter

## Our Learning This Week.....Class 2

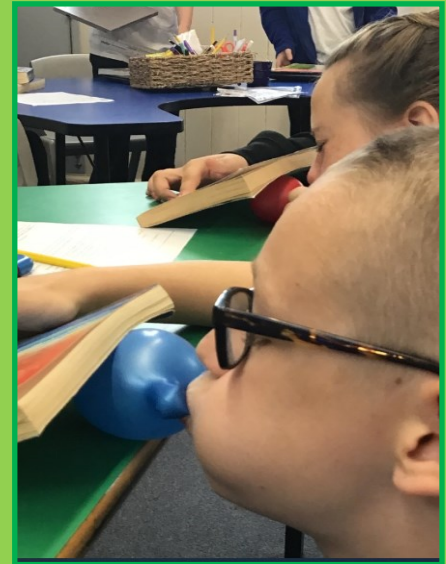

This week we have completed our French unit on animals, their habitats and food chains. The children have made fantastic flip books showing the food chains in French. We were amazed with the children's vocabulary!

In RE, we have talked about commitments and the different commitments religious and non-religious people might make. We ordered lots of things you could be committed to such as 'practicing an instrument' or 'being a good friend'. We had wonderful discussions about how different commitments were important to different people.

In PE, we have had an amazing week of continuing with our summer games topic. We have enjoyed striking and fielding in a variety of different ways. It has been lovely to spend time with the children outside in the fleeting moments of dry weather!

Have a lovely weekend

Mrs Ridley
