Dear Parents and Carers

Finally the sun is shining and Summer has arrived!

This week the children enjoyed their Royal Celebration themed lunch which was on transition day. The Year 5 children sat at the top table and had a flavour of what it feels like to be a Year 6.

As the official conversion date gets closer you will see the new signs for the school appear. This should happen on Friday 28th June. Some children will be selected to have a photograph with myself and a governor which will be used for the official press release. If your child is selected we will let you know.

Some parents have been asking me about uniform for September. In each school the uniform colours will remain the same. The logos for the schools will eventually be phased out but please do not worry if you have uniform or book bags which include the current school logo, these are fine for September. Plain jumpers and cardigans are perfectly fine. However, I would like to draw your attention to the required PE kit, quite a few children are not wearing the correct clothing for PE.

This should be:

White round neck t-shirt

Black shorts

Black/Navy joggers

Black plimsolls (indoor PE)

Trainers (outdoor PE)

Please see the link to the School Uniform Policy for a full list

I hope everyone has a lovely weekend.

Our Learning This Week.....Class 1

Such a super week and the weather has finally begun to shine! Woohoo

We have been sharing the story 'The Lighthouse Keeper's Lunch' and have been looking at labels and captions and what our favourite sandwich filling is. It was NOT mustard sandwiches, just as the seagull did not like them! We then had a go at designing our own disgusting sandwich to scare away the seagulls.

In Maths, we have looked at tallying and graphs, making a graph and tally of our favourite sandwich and the winning sandwich was jam! We will have a go at making these next week and completing some instruction writing to go along side this.

We had a super session at Forest School and looked at different habitats, carefully finding some animals and even an elephant moth! Children have been looking at the coast in geography using google earth and finding the key features of this. We have also been using data loggers in computing and filling in spreadsheets with the temperature of different areas around school.

Have a wonderful weekend, let's hope this weather stays.

Miss Trotter

Our Learning This Week.....Class 2

This week we have been exploring materials in Science. We will continue to look at the properties of materials and are enjoying the mini tests that we have been carrying out.

In DT we have completed thumbnails and explained 3D drawings of what our pneumatic toy will look like. We will begin making these next week. If you could please bring in for next Wednesday a box with a hinged lid (a tea bag box would be ideal!) we would be very grateful, or even a box with a removable lid such as a shoe box, then we can begin making our toys!

In Music, we are using body percussion to make rainforest themed pieces of music. We have created some fantastic pieces so far with different structures.

We have had a busy week completing some assessments in English and Maths. We are very proud of how resilient the children have been.
