## Luttons News

Friday 28th June 2024

Dear Parents and Carers

What a wonderful week of glorious weather and super learning!

Children at Sherburn had their Forest School Fun afternoon and it was so good to see everyone enjoying the forest school area. Luttons will be next Tuesday afternoon and fingers crossed the weather stays as lovely! Thank you so much to Mrs Fry for organising the two events.

Our younger children designed some disgusting sandwiches for the seagulls to eat as part of their learning about 'The Lighthouse Keeper's Lunch', I am not sure the seagulls would like to eat a dirty shoe sandwich or smell a sock sandwich with strawberries dipped in vinegar! Yuk! They then got the opportunity to make a jam sandwich to support their writing of instructions and it was so good to see them enjoying this using their actions to retell how to make the sandwich.

Children in Class 2 have created some fabulous pneumatic toys in their DT sessions and have been exploring different materials in Science. It is always great to see children doing practical activities and understanding the learning process.

With this amazing weather appearing and hopefully staying, it is important children come to school with a sunhat, suncream and a drink please. There have been many children we have seen this week without all of these or missing one. Please make sure items are labelled and children must be able to put on their own suncream.

Next Friday 5th July is Sports Day which offers the important reminder that while yes, there will always be winners and you might not be one of them, it is the participation that counts overall. It is the growth made when you stand up and take part. It's the insight that no one wins all of the time. These are informative lessons which will last a lifetime and something which we are very keen to promote. Thank you to Mr Ellis for organising the event. The summer fair will follow straight after Sports Day, please stay and support our school. Refreshments, stalls and games will be on offer and it will run until around 4.30pm.

We all welcomed our new HLTA Miss Craggs to school this week. I am sure you will all join me in wishing her well in her new role in Class One.

Have a super weekend, stay safe especially if you are out in the sun!

Mrs Evans

# Our Learning This Week.....Class 1

What a wonderful week of glorious weather and super learning in Class 1.

Children have been practicing their instruction making skills by using our 'talk for writing' actions and physically making a jam sandwich to inform our instruction writing. Jam was the winning vote in our sandwich filling democracy and strawberry jam won the final vote. It was so good to see the children trying hard to make their sandwich, maybe let them have a go at home and show you how to make a sandwich!

We had a wonderful time at Forest School on Tuesday and took our time looking in the grass, bushes and trees for different insects and ticking them off on our sheet. We found some 'painted lady' butterflies, and it was very exciting to see some more frogs visit our pond area. We can't wait to show you next week!

Children have had fun creating some windmills in our DT session and looking at creating boats in EYFS—this has been part of our 'coastal' topic and we have had fun looking at the different features of a coastal town. Miss T was able to share some pictures of her trips to the beach. If you have any, please do send them in!

Have a super weekend and we can't wait to do it all again next week!

Miss Trotter

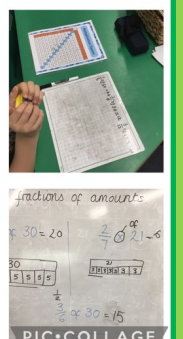

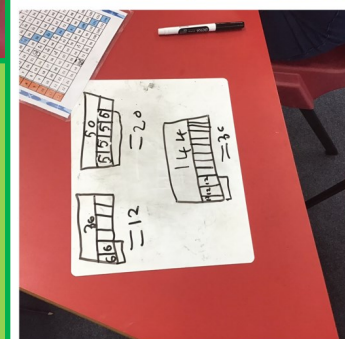

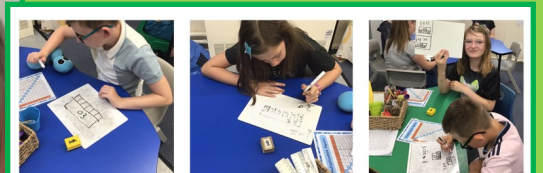

# Our Learning This Week.....Class 2

What a beautiful week in Class 2! We have worked really hard in Maths to find fractions of amounts. We have used bar models and practical equipment to work out the answers.

In PSHE, years 5 and 6 have been learning how to treat major and minor head injuries. We really enjoyed bandaging each other and understood the importance of keeping ourselves safe when treating other people.

In DT we have continued to make our pneumatic toys. Thank you so much for the boxes and we look forward to finishing them next week.

Mrs Ridley

fractions of amounts  
 $30 = 20$     $\frac{2}{3}$  of 30 = 20  
 $30 \div 3 = 10$   
 $10 \times 2 = 20$   
 $\frac{1}{2}$  of 30 = 15
