10th June Newsletter

Happy 110th Birthday Luttons School. The Children have really enjoyed learning about what school life was like back then compared to now.

This week we also had a visit from 'Cindylou' the story teller, the children were mesmerised and had a fantastic time listening to her wonderful stories.

Pupil Photographs

You should have received the proof for your child's school photograph. If you would like to place an order, please follow the instructions. We will let you know when we receive the final orders and send them home.

Fire safety visit

On Friday 1st July, we will be visited by some firefighters from the local area. They are coming to give a talk on Fire Safety and will be bringing their fire engine for the children to see. If you child is not in nursery that day, please bring them for 10.30am, although this is only an approximate time depending on their call outs on the day.

After school clubs

After school clubs start back up next week. A link will be sent shortly with regards to signing up the them. Unfortunately, STEM club will not be on next week (15th June) due to staff training.
