A Message from Mrs Mould....

Dear Parents and Carers

Another week has flown by! The children continue to amaze us with their hard work and effort in all subjects. It is lovely to see them enjoying their learning and being so eager to talk about it when I visit classrooms! I am especially looking forward to seeing the completed Egyptian masks in the Key Stage 2 Classes very soon!

I would like to thank parents and carers for your support in ensuring your child is in school every day and on time. Attendance at both schools is currently very high. If you are struggling with any aspect of attendance or punctuality and would like support, please do speak to your child's class teacher. We will be happy to support where we can.

100% weekly attendance is always the aim but we absolutely do understand that children get ill - especially at this time of year! We also understand that, at the moment, doctors and hospital appointments have to be taken when they are offered, there is usually little room for re-arranging and appointments may be in school time. Children being ill and/or medical appointments are acceptable reasons for children being absent. This may mean that they are not able to receive a 100% attendance sticker for that week. Please support school in explaining this to your child - that whilst 100% is always the aim, sometimes it can't be helped and that there will be another opportunity to achieve 100% attendance the following week - and get the sticker!

I hope that you all have a lovely weekend.

Best wishes

Mrs Mould

Our Learning This Week.....Class 1

In Class One this week we have been investigating walls, looking at famous walls and deciding what makes them a strong structure.

We have also been thinking about words to describe a stormy sea whilst learning more about Grace Darling's heroic rescue.

On Thursday we enjoyed lots of book related activities and the boxes of puppets have proved a great hit with the children!

Our Learning This Week.....Class 2

We had a wonderful time celebrating World Book day. We shared our favourite books with Class 1 and enjoyed a hot chocolate too.

In forest schools, we have been busy building shelters!

Safeguarding is everyone's responsibility.....

If you have any concerns about a child's safety, please contact the Safeguarding Team at school.
