

'One federation family, with transformation at its heart'

## **22<sup>nd</sup> July Newsletter**

Wow, we have reached the end of the end school year and what a year it has been.

### **School Dinners**

Our Autumn menu will be published on Class Dojo before we return in September. Please note that school dinners have increased to £2.40. This is still below the advised amount and the increase is not for profit.

### **Uniform Policy**

Please take time to read the uniform policy

attached. This gives details on where you can buy our school uniform with the logo on, as well as what is acceptable in school.

### **Design a T-shirt for Mr Davies**

On Sunday 11th September, Mr Davies is taking part in the Great North Run and his family & friends will be going along to support him on this special day. With this in mind, Mr Davies has decided to set a very exciting challenge for our children over the summer by designing a bright, colourful picture to include words of support.

The winning design will get made into a T-shirt and worn on the day.

Please send your designs via email to Mr Davies by Friday 12th August to [headteacher@woldsandvalefederation.co.uk](mailto:headteacher@woldsandvalefederation.co.uk)

If you would like to contribute to Mr Davies's chosen charity please click the following link:

Good luck Mr D!

### **New School Times**

Remember that our school day now starts at 8.45am. The gate will be open from 8.35am and promptly at 8.45am so please make sure your child is in school before this time so they get registered for the day. School finishes at 3.15pm.

### **Dates to remember:**

Return to school – Tuesday 6<sup>th</sup> September at 8.35am

### **Mrs Ridley Reports:**

We have been lucky enough to participate in different sporting events this term. The children had a fantastic time playing golf at Snainton, another wonderful opportunity for children from across the federation to come together and showcase their skills. Arya and Noah also represented the school at a recent athletics tournament in Hunmanby and we were incredibly proud of how they represented the school and of their fantastic athletic ability.

Our children sang at Scarborough College in front of a huge audience and we couldn't be prouder of their beautiful singing voices. Adam and Paige also played the piano and we were all blown away by their confidence. We were incredibly proud of all of the children.

Last Thursday, we were joined by the children from Weaverthorpe and their families. We had a wonderful afternoon enjoying the food each family brought along and played games together on the field. We look forward to welcoming them into our school family in September.

On Saturday, despite torrential downpours early on, we managed to complete our year 5/6 campout. The children were amazing at working together to put their tents up. We had a rather competitive game of staff vs students rounders and are pretty sure the final score will be hotly debated for many months to come. We were really grateful to The Star for preparing our tasty pizzas and Miss Fry did a sterling job of supervising marshmallow toasting. It was almost 2am before the camp went completely quiet but despite the late night, they were up bright and early at 4.30am. The staff ensured they were extra cheery when serving breakfast and we can only imagine how quiet Saturday must have been for their parents! Joking aside, the children had a wonderful time. It is nights like that, when it really hits home, as to how lucky we are to have such a fantastic group of children. We hope they enjoyed their night as much as we did.

The year 5s have spent 2 days at Norton and Malton Secondary schools completing transition activities. They have had a fantastic couple of days and we are really proud of how well they represent the school.

### Staff News

Mrs Massheder is taking part in the York 10k ON Sunday 7<sup>th</sup> August. We wish her well.

Congratulations to Miss Fry who will be getting married during the summer holidays. We wish her all the very best.

### Reminders

Please remember to clearly label your child's uniform before they return in September. This helps us to reunite any lost items.

ParentPay accounts can be accessed during the summer and we ask for you to top up your accounts to clear any outstanding balances.

### Stars & Postcards:

Each child received an individual certificate today, celebrating a particular highlight of the year!
