## A Message from Mrs Mould....

Dear Parents and Carers

Another week has gone by!

We have all been very proud of our children this week in both schools as they have been working really hard on all aspects of the curriculum. The children are showing great effort and resilience when working and are rising to the high expectations that we have of them. I hope you enjoy seeing the photos on the newsletter each week and hopefully the short explanations help you to see what learning they have been doing.

You will have seen in the national media that the National Education Union has called for industrial action on Wednesday February 1st. I can confirm that both Sherburn and Luttons schools will be open as usual.

Have a lovely weekend.

Best wishes

Mrs Mould

## Our Learning This Week.....Class 1

EYFS children having lots of fun scrunching paper to make ice cream for our new role play area 'ice cream shop'.

The children had lots of fun making their own bus this week. This was the children's idea and then other children joined in the fun.

Another creative week of in construction club. Some children made things out of straws and pipe cleaners others chose to use the train track and other resources.

## Our Learning This Week.....Class 2

In gymnastics we have explored contact and non-contact balances

In Maths, Year 6 have had fun exploring ratio and how it links to fractions

In English, we have been preparing to write explanation test. The Year 3s worked incredibly hard to organise information about the water cycle
