A Message from Mrs Mould....

Dear Parents and Carers

We have had another lovely week in both schools this week with the children enjoying their learning indoors and out. It is great to see tennis nets up in both playgrounds and seeing the children practising the skills that they have been learning in PE.

Next week will be our Coronation Celebration Week in both schools where the children will be learning all about this historical event and about the King and Queen. There will be history lessons, art and craft lessons and a Coronation Party on Friday. The party will take place at Luttons on Friday morning and in the afternoon at Sherburn. Please note that assemblies will be cancelled for this day.

Watch out for photos on DoJo throughout the week!

Enjoy the first of the Bank Holidays – let's hope the weather improves!

Best wishes

Mrs Mould

Our Learning This Week.....Class 1

In Class 1 this week in geography we have been learning about maps and what different types of maps can show us. We looked at a map which showed us hills and valleys and also a map of Luttons which showed us more detail, including road, footpaths and buildings.

We then made our own map of the classroom. This was quite tricky as we have to imagine we were flying overhead.

In maths this week, we have been learning to tell the time – another tricky concept which has made our brains whirr. Reception children have been learning how many different numbers they can add together to get a given answer.

I am very proud of Class 1's hard work and resilience this week.

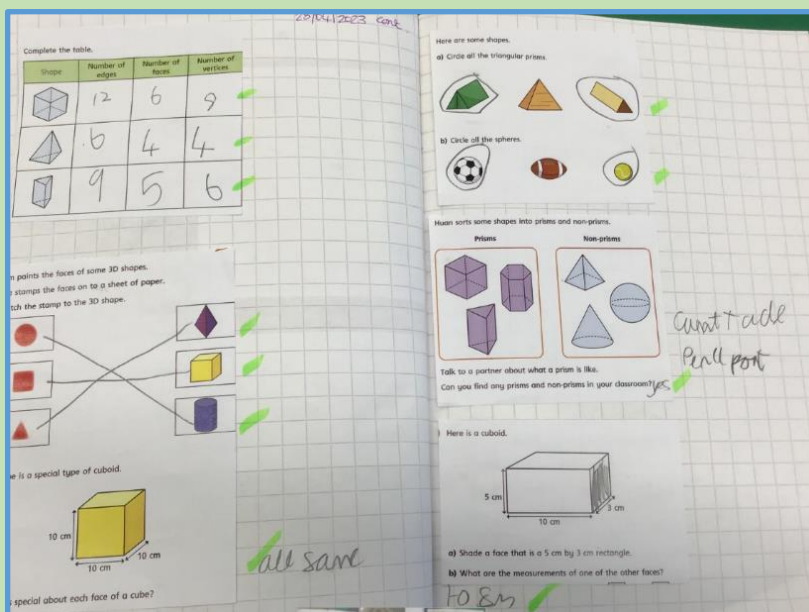

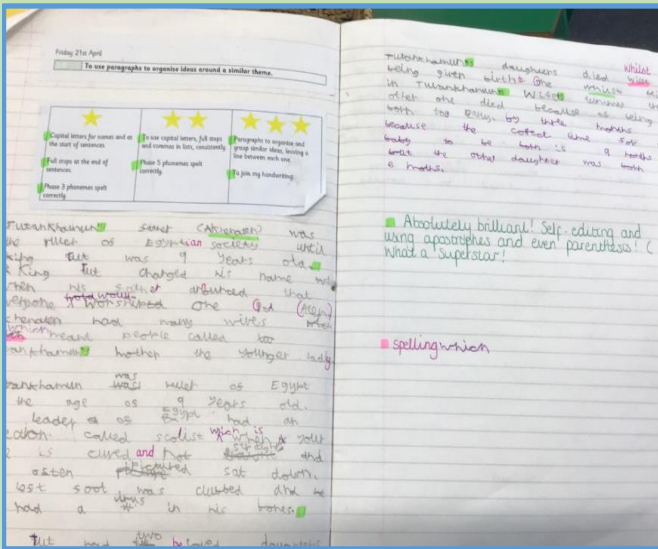

Our Learning This Week.....Class 2

In English Class 2 have been writing biographies about Tutankhamen. They knew some amazing facts. Well done Thomas for producing amazing facts.

In Maths some of our children have been learning about 2D and 3D shapes. Annabelle showed great knowledge in her maths lesson.

In Forest School we were lucky to have a visitor from the village called Dave. He brought bird boxes for us to attach to our trees. The children were very helpful especially James and Annabelle who were expert helpers with the tools and equipment.

Safeguarding is everyone's responsibility.....

In other News.....

Bank Holiday and Training Day

There is another Training Day on Friday June 25th when schools will be closed. This will be the final Training Day of the school year.

As well as the May Day Bank Holiday on Monday May 1st there will be an additional Bank Holiday for the Coronation on Monday May 8th. Both schools will be closed on these dates.

Gaming

We are still hearing from children that they are accessing games and online content that is above their age and that they are playing inappropriate games before and after school. You may have seen in the national press this last week about gaming and the effects that this can have on children in terms of their physical and mental health and general well-being. I would urge you to please be mindful of what games and content your child is able to access and play as well as the amount of screen time they have each day.

If you have any questions about online safety, please do come and see a member of staff.
